Washington County Delegates.
 Tuesday evening Hon. T. F. Davis
 completed the list of Washington
 county's 50 delegates to the Zanesville
 convention and we give the names be-
 low, accompanied by 50 alternates.
 The short time intervening before the
 convention, which will be held next
 Tuesday, has caused Mr. Davis to select
 his delegation hurriedly in order to give
 the delegates and alternates appointed
 sufficient notice of their appointment.
 The delegation is a good one, however,
 and every precinct in the county is rep-
 resented.

Colonel Vance is Happy.

Colonel John L. Vance, the President
 of the Ohio River Improvement Asso-
 ciation, came down as far as Gallipolis,
 his home. To Captain Dovenor, Wheel-
 ing's Representative in Congress, and
 to Colonel Vance is due most of the
 credit of getting the committee to take
 the trip, and Colonel Vance was heartily
 congratulated upon his success. He
 felt that the result paid greatly for the
 work, and said that in his opinion the
 committee has been profoundly im-
 pressed with the need of dams and
 dykes in the Ohio.

Major Heuer, in the opinion of the
 Cincinnati men who have met him, is
 going to become very popular in the
 Queen City. He has had charge of all
 the important Government work in
 California for years past, and is re-
 garded as one of the best men in the
 engineering corps.

His address before the committee
 was plain and direct, and he talked
 like a man who had full knowledge of
 and comprehended his subject. This
 was his first trip down the river, and
 he is not afraid to give an opinion.
 The members of the committee were
 very favorably impressed with him—

Condensed Testimony.

Chas. B. Hood, Broker and Manu-
 facturer's Agent, Columbus, Ohio, cer-
 tifies that Dr. King's New Discovery
 has no equal as a cough remedy. J.
 D. Brown, Prop. St. James Hotel, Ft.
 Wayne, Ind., testifies that he was cured
 of a Cough of two years standing,
 caused by La Grippe, by Dr. King's
 New Discovery. B. F. Merrill, Bald-
 winsville, Mass., says that he has used
 and recommended it and never knew it
 to fail and would rather have it than
 any doctor, because it always cures.
 Mrs. Hemming, 222 E. 25th St., Chic-
 ago, always keeps it at hand and has no
 fear of Croup, because it instantly re-
 lieves. Free Trial Bottles at W. H.

EDITOR LEADER:—Please announce
 through the columns of your paper
 that Wm. Honesty is not, nor has not
 been starving his horses as was reported
 to the agent of the Humane Society
 recently, and that the report is a false-
 hood, without any foundation what-
 ever. We, the undersigned, visited
 and helped Honesty with his horses
 regularly and know that there was no
 scarcity of food at any time, and make
 this statement for the purpose of put-
 ting Honesty rightly before the public.

IN THE OIL FIELDS.

Sistersville, W. Va., March 23.—The
 developments during the coming week
 are very important and will be watched
 with the keenest interest by both the
 operators who hold leases in the Indian
 Creek field and the business men of
 the city in general, as much depends
 upon the showing made by the wells
 that will reach the pay before the week
 has closed. As soon as the gas has ex-
 hausted itself sufficiently to permit,
 the Carter Oil Company will drill their
 well on the Stoneking farm on through
 the Keener and into the "Big Injun"
 sand where they expect to get a pay.

The well being drilled by Guffy &
 Company on the Pitts farm should also
 reach the pay in a day or so. This well
 is located to the south of the Kyle and
 will assist in determining the Southern
 extension of the pool. This company
 commenced spudding at their No. 5 on
 this farm to-day and will be ready to
 commence spudding at their No. 6 on
 the same farm in a couple of days.

Shay & McMullin's well on the Dan
 Weekly farm is holding up very well,
 making 25 barrels an hour. However,
 it is slowly decreasing.

The gauge also shows that the Devona-
 lians well on the Weekly farm is mak-
 ing 10 barrels an hour, and that their
 No. 1 Kyle is making a little better
 than 20 barrels an hour.

Parkersburg, W. Va., March 23.—In
 the Burning Springs field, Park Bros.
 have commenced a new well on the
 Wetzel tract. The Kyle derrick, which
 was destroyed by fire, has been rebuilt.
 A splendid showing of oil was found in
 the Russell & Skinner well No. 2, and
 the well filled within ten feet of the
 top when 400 feet deep.

The well of Peyton Triplett, in the
 Waverly field, will be in Thursday, and
 a well will be drilled on George Tay-
 lor's farm as soon as the weather per-
 mits.

The West Fork Oil Co., of this city,
 have 1,500 acres leased on the west fork
 of Lee Creek and have located a well.
 Kelly & Beatty will drill on the Rich-
 ardson farm near the Lewis Ogden well,
 Waverly, as soon as the material can
 be gotten on the ground.

The oil well at Vanclose, owned by
 Messrs. J. M. and J. J. Jackson, L. B.
 Dellicker, H. P. Camden and W. A.
 McCosh, of this city, is reported here
 to-day as good for over thirty barrels
 a day. The well was shot Thursday.

SOLID GOLD TOILET SET.

Property of the Khedive Incrusted with
 Precious Stones.

It is said that the only complete gold
 toilet set in the world belongs to the
 khedive of Egypt. Its exact value is not
 known, but it must be enormous, for the
 set is incrustured with diamonds and
 other precious stones. Egypt, by the
 way, has a debt of about \$225,000,000,
 and besides the interest on this has to
 pay an annual tribute to the sultan of
 Turkey amounting to nearly \$3,500,000.
 Despite this the present khedive has
 been following in the footsteps of his
 predecessors, whose extravagances
 brought about the present almost bank-
 rupt condition of the country.
 Each piece of the khedive's golden
 toilet set bears his monogram in dia-
 monds. Upward of 2,000 diamonds and
 over 1,200 rubies were used in decorat-
 ing these gorgeous adjuncts to the
 Egyptian ruler's dressing-table. The
 body of each of the 23 pieces is of 18-
 karat gold, and all are inclosed in a dia-
 mond-incrusted ebony case.
